“People are losing their lives at unprecedented rates”

Thursday November 16, 2017
19:00 to 20:30 hours

Presented by...

Avram Flamm, DO

Department of Emergency Medicine
WellSpan York Hospital

When we hear the word “epidemic” we typically think of a disease like Ebola or some virus or infection that spreads rapidly and causes much illness and death. In the case of the current opioid epidemic, the disease is addiction and the results are as catastrophic as any killer disease.

PA DOH, Bureau of EMS, class numbers (004082). *(BLS & ALS providers, 1.5 hour of Med/Trauma ConEd credit)*

The class will be held in the Training Center Classroom located at 50 N. Harrison Street (building to the rear of 54 N. Harrison Street, York PA 17403)
